

Coming Very Soon

Vision Statement:

In a collaborative effort, all metro Catholic parishes will develop a Social Justice and Outreach Center of excellence.

Mission Statement:

All area Catholic parishes will work together toward establishing consistent and efficient delivery of Social Justice and Outreach services to people in need in our metro communities. The foundation for this effort will be the 7 Key Principles of Catholic Social Teachings as outlined by the Archdiocese of Dubuque. Development will include all areas of Social Justice and Outreach, using and refining best practices currently in place in our parishes as our guide.

Metro Catholic Outreach is a collaborative project of the 11 Catholic Parishes of the Cedar Rapids Metro area. This outreach will provide a food pantry, call center for referrals and assistance and emergency financial assistance to those in need in our area.

Updates

1. Permits have been approved, and construction will soon begin at Metro Catholic Outreach.
2. The Center is now scheduled to be open in January 2012.
3. Volunteer training for the food pantry begins November 21 and 28. Notice will be sent regarding the date of training for the call center and working with those needing emergency financial assistance.
4. Volunteer forms are available from your parish office or your parish representative on the MCO Leadership Council.
